Sir/Madam,

**PROVISION OF LIFT TO A RESIDENTIAL BUILDING OF MORE THAN 3 STOREYS**

I refer to the above matter.

2. It has been decided by the State Planning Authority that any application for residential development which includes flat and walk-up apartment of more than 3 storeys are required to provide lift for the convenience of house owners/occupants. This new requirement is to be incorporated in the building plan submission.

3. Therefore, you are to ensure that this requirement is to be complied with immediate effect.
