The Faculty of Built Environment (FBE) University Malaysia Sarawak, Open Day was held on the 24<sup>th</sup> of May, 2023 and officiated by YBhg. Professor Datuk Dr Mohamad Kadim Bin Suaidi, Vice Chancellor of UNIMAS and Prof Ar Dr Julaihi Wahid, Dean of Faculty of Built Environment, UNIMAS.

This event was attended by the top management of UNIMAS, academicians, industry players, government agencies, school children and teachers around Samarahan. Open Day is an FBE yearly event. This event is an initiative of RIEC to allow the public and industries to get to know the Faculty's academic programme mainly Architecture and Quantity Surveying. This event serves as a platform to showcase the remarkable research achievements and advancements of FBE lecturers, undergraduate and postgraduate students through poster presentations, research materials and equipment, and design works by undergraduate and postgraduate students.

The FBE also provide other activities for school children such as games, VR experience, busking, etc. As a public institution of higher learning, it is vital to update the public on activities that the universities organise and other contributions to the community. Engagement with industry players in this Open Day is very impactful to ensure better relationship among industry and academics.

PAM Sarawak Chapter and RISM Sarawak were invited to attend the event. Among the achievements displayed were the presentation drawings by Kelvin Lee, ex-architecture student of UNIMAS who was shortlisted is one of the 12 Finalist of the Nippon AYDA Awards 2022.
