# PAMSC PROFESSIONAL PRACTICE WORKSHOP 2026

GEB Workshop Series 1.5

## Fire Safety Design

**Ar. Chong Lee Siong**

Ar Chong Lee Siong is active in the pursuit of the study of fire safety engineering from an architectural perspective. He is a Member of the Institute of Fire Engineers (UK), and contributed to the drafting of the current Uniform Building By Laws (2012), the publication 'The Guide to Fire Protection in Malaysia' and has delivered numerous papers on the application and interpretation of fire safety provisions in architectural designs. He has also shared his expertise as guest lecturer and external examiner to the Architecture Faculties of Universiti Malaya, Universiti Sains Malaysia, Universiti Putra Malaysia, International Islamic University of Malaysia, Taylor's University and Tunku Abdul Rahman University College.
