SPEAKER

EN. TS. ABD. HANNAN MOHD KHAIRI

Senior Manager
(Product Certification & Inspection Division)
ANQAS Certification Sdn. Bhd.

En. Ts. Abd Hannan has graduated as a Bachelor of Engineering (Hons) Mechanical and a working experience as Technical Specialist for almost 12 years in this industry. He currently works in ANQAS Certification leading the Evaluation Department as a Senior Manager. The passion to keep learning for more knowledges puts him to attending at least 18 different ISO courses in his portfolio.

DR. VINCENT TAN

Chief Operating Officer (COO)
theVERVE by I-HOME MARKETING Sdn. Bhd.

Dr. Vincent has recently graduated from his PhD in Psychology in Business while running the company as the Chief Operating Officer that holds the brand theVERVE solely. The manufacturing company has been in Malaysia for over 30 years. Despite being in this industry for about 5 years, due to the exposure from his young childhood growing up in the manufacturing factory, his passion to grow this business drives creativity to the innovation of today's sanitaryware industry trend and market, not price wars. Not being a workaholic, he loves sports and photography.
